

PILBARA RESPIRATORY WORKSHOP

Pilbara Respiratory Workshop

Health professionals are invited to attend our upcoming Pilbara Respiratory Workshop; a collaborative project between Asthma WA and Cystic Fibrosis WA.

This practical and interactive workshop is open to Doctors, Nurses, Physiotherapists and Allied Health members and will provide an overview of an overview of asthma, COPD, cystic fibrosis, wet cough/bronchiectasis and spirometry Q&A.

The Pilbara Respiratory Workshop

Date: Thursday 30 April 2020

Time: 1pm - 5pm

Venue: Hedland Health Campus, Learning and Development Resource Room

For more information see the workshop program here. For expression of interest please contact: Rael Rivers

Rael.Rivers@Asthmawa.org.au

This workshop has been made possible with grant funding secured from the Town of Port Hedland.
